

“Examine yourselves as to whether you are in the faith. Test yourselves” (2 Corinthians 13:5).

Are you going to heaven or hell? This depends on whether or not God has supernaturally regenerated your heart and indwelt you with the Holy Spirit*. God has provided axiomatic evidences in the Bible that indicates your condition. For example, “In this the children of God and the children of the devil are manifest: Whoever does not practice righteousness is not of God” (1 John 3:10). Bible references are at the bottom of the page.

Fill out the chart. **Circle one number under each statement that best answers the question. 1 means “almost never”, 2 means “some of the time”, 3 means “half of the time”, 4 means “most of the time” and 5 means “almost all the time”.**

Total From Left Side → ← Total From Right Side

How to determine your grade. 1) Write the numbers you circled on the center columns. 2) Add up the columns and write the totals in the two boxes. 3) If the total on the right is greater than the total on the left, according to axiomatic evidence from the Bible, you’re not saved. If you’re a liar, you’re not saved (Revelation 21:8). If you don’t understand the questions, your LIFE depends on reading the Bible and earnestly seeking God (Isaiah 55:6).
